Message from Amy, our New Executive Director:

“I enjoy making a difference in people’s lives. I have seen many patients walk out of here with a diagnosis, free lab work and free or low-cost prescriptions. Our **volunteers** help in many ways, like my daughter Ariel and her friends who have since become LPNs and medical technicians after helping out at the clinic. I would like to see us introduce new hours & programs: **Please help us by volunteering or sending a donation!**

Thank you to our dedicated volunteers, Bridget Allen, Debbie Clayman, Abby Ellis, Millie Gochenour, Ronnie Kaufman, Cathy Mauck, Nancy Peachy & Tina Rutt.

We wish to remember Nurse Practitioner volunteer Pat Oakley whose kindness & compassion will be missed by all.”
